# CASH IN ON INCENTIVES

84% of U.S. businesses (your customers) use a non-cash reward program. If you are not providing your customers with some kind of award program, someone else is.

We can help guide you through the simple process of providing customers with a well-designed and easy-to-administer incentive program.

A customized demo award site can be delivered to your customer with no up-front costs.

## HOW CUSTOMERS SPEND THEIR INCENTIVE DOLLARS

Our intuitive turnkey platform has everything you need to enter the billion dollar recognition industry.

### SERVICE AWARDS

Commemorate "Years of Service" to show your employees you appreciate their loyalty. Let them choose their award from a selection of top brand name products.

### SALES INCENTIVES

Set sales goals and reward the people who achieve or surpass them. Our tools make it easy to encourage excellence.

### SAFETY PROGRAMS

Motivate and reward employees for working safely and responsibly every day. Management reports graphically show participation and results.

### CORPORATE GIFTS

Holidays, birthdays, or company achievements are easy to commemorate with the help of our platform and broad merchandise selection.

American companies spend billions of dollars per year to reward employees, channel partners, and customers. Let us show you how you can capture your share of this profitable market!
